### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The closest prior art, Munoz et al. (US 5,131,415) and Johnson (US 3,710,803) teach some portions of the process claimed (i.e. soaking, freezing, thawing, etc.), but do not disclose or suggest the particular parameters such as temperature and average heating rate. In particular, the average heating rate of not more than 2.0 C per hour from -35 C to up to at least 35 C would take approximately 35 hours or more, a length of time not suggested by either Munoz et al. or Johnson, and one that would not be obvious to one of ordinary skill.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MICHAEL J. FELTON whose telephone number is (571)272-4805. The examiner can normally be reached on Monday to Friday, 7:30 AM to 4:30 PM EST.
